Showcase description

Sono un laureato in lettere e di professione analista programmatore web. Inseguo da sempre la necessità , il desiderio di razionalizzare il mio "impeto" creativo. Da una passione sfrenata per la scrittura attraverso racconti e recensioni di film sono arrivato a slogan, headline. Poi scopro una certa sensibilità ed attenzione per la comunicazione visiva e inizio ad apprezzare le sue potenzialità espressive. Così sempre per gioco inizio a collaborare con piccole agenzie di comunicazione per visual e progettazione di immagini coordinate mettendo a disposizione anche le competenze tecniche acquisite nel macrocosmo del web. Mi muovo bene tra visual, impaginazione sia orientata a supporti cartacei che su web. Vorrei consolidare questa mia passione e mettere da parte una volta tanto le fredde procedure informatiche e le stancanti analisi logiche e matematiche. link flickr: :...: fotoelaborazioni flickr :...: sito personale
