Showcase description

VIA AEREA brand takes his name by a vintage postal stamp used for airmail. The main concept behind the work of VIA AEREA young creator and art director,Serena Verginelli,is that every products are a walking gallery.Printed designs are original compositions of illustration,graphic design and photos. Printing process is handprinted silkscreen,every print is one of a kind and all materials used are eco-friendly. The new handpainted collection?Possessed by ROTHKO? means a regressive return to unconscious power of colors,tributing a great artist.
