Showcase description

My name is Sara, I was born in Florence in 1987, where he still reside. Even as a child with me a passion ... design. In 2002 I enrolled at the Art Institute of Florence, where I graduated in 2007 as a two-dimensional conservation and ancient techniques. In 2008 attended a course in illustration at the international school of comics that ends in Florence in 2010. To date, I'm a freelance illustrator and realized paintings on commission.
