Showcase description

I graduated as an architect and I approached the world of illustration attending classes with Arcadio Lobato, Linda Wolfsgruber, Fabian Negrin and Javier Zabala. I collaborate with communication studies as well as various public agencies, also taking part as a graphic communicator to the experiences of participatory planning with children. In 2005 I published 2Animatti2 and 2Stranimali2 with Fabbri publishing, part of a humorous series for children. My work has received a special mention at the prize "City of Chioggia" and within the competition "Cinderella2s shoe", as well as being awarded in the Italian Illustrators Annual in 2008 and 2009. CLIENT LIST: Fabbri Editori, Skoda, Visuale Associati, Loescher Editore, Swan Group, Gruner + Jahr/Mondadori, Usborne Publishing
