Showcase description

My name is Gerardo Aguirre, I am an Argentinian / Italian painter / illustrator living in Florence. After attending the Academy of Fine Arts in Turin and Florence, I embarked on an artistic journey that led me to exhibit in different art galleries in various states of the world (Italy, Argentina, the Philippines). I speak and write correctly Spanish, English and Italian. Since 2015 I started my career as a Freelancer in the field of digital illustration working with several online customers.
