

Riccardo Angelucci

Videomaker

Location: Italy > Lombardia > Milano

Years of Experience: 5-10
Employment Search: Si
Internships Available: No

Showcase description

My name is Riccardo Angelucci, a freelance director and creative. I work steadily at a production company in Milan that mainly deals with TV commercials, playing the role of director and creative director of the company. Given my passion for storytelling and photography, I have also made several short films and fashion films in recent years with the BellaVita collective that I created together with my fellow director, Alessandro Gessaga.

A.I.
