Showcase description

Capace di trovare un senso anche a tutto ciò che ne è momentaneamente sprovvisto. Malinconicamente sognatrice. Innamorata dell'ideale Amore più che dell'Amore ideale. Pigramente curiosa e curiosamente pigra. Dalle idee confuse e l'indole confusionaria. Sarcastica e pungente quanto una rosa senza spine. Fiduciosa nel secondo e prossima al primo. Dotata di sesto senso, ma non di sesta misura. Un libro aperto per gli altri, ma ermetica per il suo io. Alta poco più di un metro e sessanta, ma all'altezza di ogni situazione. 50 chili di dolcezza ricoperti da un'aspra glassa al limone.
