Showcase description

I deal with graphic design and visual communication, planning creative strategy, taking care of the layout, use of color, font selection, with care, professionalism and creativity. My professional goal is to make more and more experience, and become a good Art Director. Why I am willing immediately to put the game. So far I have done the work of Corporate identity and logo design, banners, brochures, layout, photo editing and whatever concerns the commercial art. I have done the work of newsletters and DEM, Landing Page, Web Design (fair knowledge Wordpress, HTML, CSS), PPC Campaigns Facebook. I have an excellent knowledge of Adobe package (Illustrator, Photoshop, Lightroom, InDesign) and sufficient knowledge of Flash and Rhino3D. Editing video / audio.
