Showcase description

Hi, my name is Andrea Veramonti and I am a Graphic & Web Designer based in Macerata. I attended, at the Academy of Fine Arts, the I and II level Graphic Design courses, graduating in both with 110 cum laude. I deal with the creation of visual identities and websites for start-ups and professionals. I have enthusiasm for my work, I am very keen to constantly improve and have the opportunity to develop creative and technologically advanced projects, I know how to use most of the Adobe package programs, I know the basics of web programming and I also work with the 3D. I invite you to view the portfolio of my works on my website - www.andreaveramonti.it - or on Behance - www.behance.net/andreaveramonti.
