**Showcase description**

My name is Silvia Urani, I am an illustrator for children and teenagers and creative by nature. After a working career as a restorer and wall decorator, I rediscovered the love I had as a child for magical and adventurous stories, populated by fantastic and funny characters, and I found my way. I draw the dreams of those who still know how to live in fantasy and those who have never forgotten what it means to be children.

**Illustrations for children**
