Showcase description

Twenty-four years old, graduated from the University of Pisa in Marketing and Market Research, ready to embark on a new adventure. I like to travel, embark on new adventures and discover new mentalities. Respect and trust are for me the basis for establishing a relationship. Supporter of teamwork. I define myself as a dynamic person with a positive, sunny disposition who can handle stressful situations. I also consider myself a good listener and creative person. My open mindset allows me to be curious and constantly improve. I work with dedication, meticulousness and enthusiasm. My determination and willingness to confront, push me to achieve the goals set. I've always been fascinated by marketing, and its many applications. I am also fascinated by the world of graphics, design and packaging, I would like to find a job that contributes to my personal growth and at the same time allows me to develop my creativity. I also care about sustainability, I would like to be able to use my skills to help raise awareness of environmental issues. In recent years I have approached the digital and mobile world, I think they are very powerful and intriguing tools, useful for any type of business.
