Internships Available: No

Showcase description

I work in videoediting, and I delight in the field of Visual Effects. My belief? We must always improve and I like to work a day for a few animation production with a team capable and professional. I follow every step from pre-production for the technical implementation through to post-production and editing / encoding. Now what does it matter? have the brilliant idea! Expert production / performance audio-video with friends produce short and feature films available for free download from the website: http://www.peppocinema.com
