Showcase description

Springing from a team of great didactic and professional experience, L.UN.A?s partnership with a selected pool of high profile companies specially chosen for the promotion of L.UN.A?s research, aids in the discovery of new and specialized formative routes in education and creation. L.UN.A. represents the will of forming new and creative perspectives in the project sectors of design, fashion design and communication. Sprouting from the desire to find quality in the professional figures today, to avoiding the onset of ?creative fatigue?, as well as understanding the new innovations in the arts.
