Internships Available: No

Showcase description

hello all is serene, 19yo and I live in Piedmont. My greatest passions are photography, art, fashion, piercings and tattoos ... for me, photography is art, something without which it would be pointless to get up in the morning .. every object, every detail of every particular pù want to inspire, provide feelings to recall emotions, moments .. I'm not a professional model, but I would love to become ... only accept paid work, tft only with professionals accept any type of project ... even though I love the particularly creative, glamorous, the usually pin up, alternative, portraits, burlesque, lolita, the contrasts, landscapes ... strange collaborations hair stylists, makeup artists, etc. etc. are always welcome! ask for info and contacts for mp! =)
