Showcase description

I live in Verona and have a degree on foreign languages (English and German) and licteratures. For 30 years I have been working as press office (Glaxo and Pfizer), translator, proof reader, copywriter and author for several publishers, i.e. Britannica Encyclopaedia, Arnoldo Mondadori Editore Children?s Division, Auguri Mondadori (Garfield©), Virca (Anne Geddes, Snoopy©) Cartiere Paolo Pigna (Donald Duck© and Mickey Mouse©?s school diaries), Cartorama (Warner Bros.? characters), RCI Italia (translations and editing for tourist industry), Helmut Rauch srl (business publisher), De Agostini Multimedia (editing of Cd-Rom), BMG Ricordi (music production), IBSA Structogram international (Swiss company for sales training). I'm teaching English in a high professional school for Fashion product manager in Verona. In order to give you a more complete view on my job, here you?ll find a list of different activities, which I usually fulfil: - press office; - proof reading on any kind of text; - general editing; - translations (from English/German); - English teaching; - creation of text-blocks for school diaries; - different tales and rhymes creation, depending on the needs of the publisher; - sentences for cards (wedding, birthday, Christmas etc.); - integration and proof reading of journalist and advertisement articles; - editing of dictionaries; - translations of business behaviours courses; - catalogues organization and review; - creation of analytic indexes.
