Showcase description

Circuiti Gioielli was funded by Italian Gianfranco Quartaroli who wanted to produce special jewelry dedicated to the sports? fans. Mr. Quartaroli started producing jewelry for car racing, bike racing, football and cycling. Circuiti Gioielli is now involved with some major sports such as MotoGP,SBK and the Giro d?Italia; the Italian company also deals with some sports? stars such as football player Antonio Cabrini and Superbike round winner Noriyuki Haga. Circuiti Gioielli aims at creating the perfect fusion in between sports and jewelry and will take another step forward by creating the new Motocross MX1 Jewelry Collection, inspired by the passion and the emotions which distinguish the motocross
