Employment Search: No
Internships Available: No

**Showcase description**

I was born in Reggio Emilia in Italy in 1978, and I finished my studies in Applied Arts and Fabric Art at the Art Institute there in 1998. I now live in Carpi where I have worked since 2001 as a Graphic Designer, Digital Illustrator and Photo Retoucher mainly for the Fashion and Fashion Photography sectors. But my refusal to limit my creativity has often been gratified by new and exciting artistic experiences. This is the spirit behind my freelance Web Portfolio www.giorgialancellotti.com I have always loved drawing and creating images, communicating through them and surprising ? enchanting ? often even myself Contact me gio@giorgialancellotti.com
