Showcase description

Anna Sutor graduated from the faculty of Architecture of Venice (IUAV) in 1998. After a Master at the Architectural Association, in London, she wor¬ked as an architect first for Rem Koolhaas, in Rotterdam, then for Norman Foster, in London. In 2001 she moved to Milan, where she currently lives and works between architecture, illustration and film making. Her drawings have been on various European and Brazillian newspapers, magazines, books, re-cords, advertisements (including Il Sole 24 ore, Aspenia, Ventiquattro Magazine, Sanpellegrino, Case de Abitare, Mondadori, SAATCH & SAATCHI etc) She was awarded several prizes by the Association of Italian illustrators
