Showcase description

Our organization is composed of three mentors with twenty years professional experience, flanked by a team of young creative people, holding skills as fashion designer, graphic designer, cool hunter, production developer, etc.. We specialize in men and children's fashion: jackets, leather, knitwear, sweats, pants, etc. In our curriculum we include work experience in Italy, Europe and Far East with many leading brands. Should you be interested in getting to know our profile better, please contact us. Thanking you for your attention,
