Showcase description

I was born in Como (Italy), January 18, 1962. In the 1984 he began his career as a photographer on board various cruise ships, including the "Eugenio Costa" and "Achille Lauro". In 1987 I started my collaboration with Sergio Baricci at "Studio B.C." in Como. In February 1990 I joined the team at "Industria Superstudio" Milan, aiding famous Italian and foreign photographers. In November 1991 I began working full-time with Toni Thorimbert, portrait and fashion photographer in Milan. In '93 I moved to Dominican Republic for two years, where I created photographs for several hotels and beach resorts. At the same time I began my first reportage, documenting the domican reality. Since 1996 my images were published in many Italian magazines as: "D Repubblica", "Specchio", "Anna", "Io Donna", "Corriere della Sera", "Marie Claire", "Sport Week", "GQ", "Gulliver".
