Showcase description

I have a degree in Advertising and I've attended a master degree in "Brand Communication and Networking practices". I'm studying @ Alma Mater studiorum Bologna to get my second degree. I love drawing and have a strong passion for manga, anime and graphic design. I've realized logos and illustrations for italian local bands, alternating traditional art to advanced graphic methods. I realize stuffs made by Fimo and Cernit. I customize t-shirts and sneakers!
