Showcase description

Hi Gianluca Galati I have 25 years and over 6 years I work on graphics, illustration and comics. As for comics, manga style space, classic and realistic than the disney round and colorful, almost reaching the underground comics. The kind that trait varies from horror crudo, pure fantasy, science fiction classic, the drama of human affairs. Excellent knowledge of Adobe Photoshop (for photo editing and digital coloring, but also appropriate layout) and InDesign. Construction of small and gif animations. Then I offer my collaboration for projects comics, graphic sites, brochures, posters etc, and illustrations for books of any age group.

Photo editing and photomanipulation
