Showcase description

Hello everyone, my name is Marcia, reside in Pordenone, I am a beauty consultant, Specialist Facial and Make-up artist. I work for several years with the House of Chanel, in the 'universe of luxury cosmetics and perfumery. Specialists are in charge of Soin, Perfume and Make-up of technical expertise together with professional skin analysis, facial and body treatments. I started very young as a Make Up Artist, in fashion, editorial, advertising and theatrical, then in the role of Trainer Soin Make up and perfume with chains. I graduated at the School of Art in commercial art and photography section, I then received 5 years of apprenticeship in the field of beauty and then a 'further training in cosmetology and 3 years of chemistry. I have a great passion of my work, the face is like a blank canvas, what color after color, comes to life, expression and strength ... is a fascinating game: you always win! I carry bridal makeup, photography, theater, and to discover some secrets of makeup, makeup courses individual, group, private or corporate.
