Showcase description

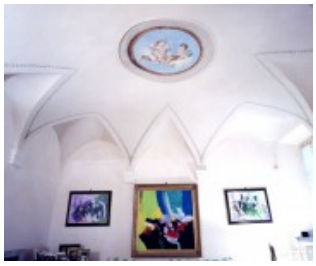

Phone 0521 601,311 - 0521-601032 Fax 0521-601025 www.cagozzirestauri.it For several years we carry out various works of restoration of ancient dipindi, decorating and interior finishes. Cagozzi Gian Paolo & C. srl who deals with interior trims for over 50 years, is specialized in stucco-works (venetian plaster, marmoreal, shiny lime), decorations and wall finishes. The high specialisation of the works represents the result of the combination of ecological and raw materials, couple this with artisan and traditional methods realized by specialized people. Our services are aimed at private shops and government agencies.
