### Showcase description

[valeria@creativecocco.com](mailto:valeria@creativecocco.com) I have drawn and sketched since time immemorial. In 2008, I turned this passion of mine into a career. My background sits in the art and filmmaking with a primary focus on cartoons. An all-round knowledge based on which I can take care of all the project's phases, from style to storyboard all the way down to animation and editing.
