Years of Experience: 5-10

Employment Search: Si

Showcase description

I'm Dominic Catalano. I was born in Reggio Calabria, but i live in Milan from 2010. Between my working experiences, and just mention that undertaken from 28/11/2005 to 31 /12/2008 , when, together with two other members, was running a study of Graphic Design, neither of which i was legal administrator. I have skills in PC and print material with a specialization in programs like Photoshop CorelDraw, Illustrator, Dreamweaver, Flash, Fireworks, Indesign, Office package, HTML and CSS. Familiar both in the mac environment that windows my passions are art, reading and especially writing. The literary genre that most fascinates me is the fiction, mainly novels. I have just published a book "i try my home" with the Neftasia Publisher, group Hotel at interacta. For info: guidauciù@tiscali.it
