Showcase description

I am Michael Sotero, I'm 30 and I am 15 Communication, Events, Marketing, Graphic Design, Multimedia I graduated from DAMS in 2005, and until 2010 I taught at some public institutions and private courses and MicroSpecializzazione professionalizing, Event Organization, Communication, Printing and Graphic Equipment. In 2007 I created the E.G.O. "Events and Large Organizations" company, Graphic and Advertising Event Organization, which in 2011 became EGO Communication. I work from 2011 and I follow the communication and marketing of a major business group health and dental technician who is about to make the big jump at the national level, having already a major manufacturer of dental implants in Europe. Professionalism, competence and originality I have always distinguished.
