Showcase description

My name is Fabrizio Paiano, I'm 29 years old and I live in Milan. I have a Bachelor's degree in Industrial Design and I am a graduant for a Master's degree in Communication Design at the University Politecnico di Milano (thesis). I am specialized in creating brands for companies and private clients. My dream is to work in an advertising agency as a creative. I consider myself being a very creative person that is committed, likes team work and increasing his knowledge. I am curious and a keen observer. I have excellent organizational skills and excellent interpersonal skills. My last work experience in an agency was for Inarea Strategic Design Srl, where I contributed to the design of brands and visual identity systems.
