## Showcase description

Meinero Emanuele was born in 1985 in Cuneo, Italy. He studied at Faculty of Architecture at Polytechnic of Turin, graduating in 2010. From 2008 he began collaborating with design studios and construction companies. In 2010 combining his passion for architecture and product design he founded his workshop called Meinero Architects. MEINERO ARCHITECTS is a workshop open to all that are interesting in design, architecture, art, exchange ideas and use a pencil.
