Showcase description

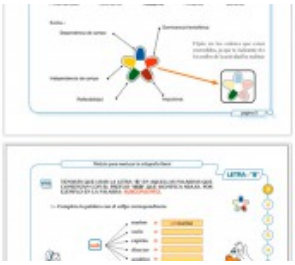

I am an imaginative walker, Graphic Designer by profession and that by my strokes I am abstracting from real life characters and contexts with cultural relevance. I stand out for creativity, traditional and digital illustration. Currently I work in the Editorial area of a State Institution and in my free time I develop personal projects of illustration. My entertainment is: cinema, cycling, table tennis, traveling, being in contact with nature, listening to music, among others ... And of course, Draw.
