### Showcase description

 I'm Simona Guarneri and I'd like to offer you a professional partnership. Let me introduce myself. In 1997 I achieved the artistic A levels, after which I went up to the college of Architecture at the University of Palermo. In 2007 I completed my studies at University: in september I enrolled in the Association of Architects. Meanwhile my university studies, I attended a professional course (from March 2003 to February 2004) to get the qualification of "Expert in research, reconstruction and restoration of archaeological finds", awarded cum laude. From December 2007 to July 2008 I lived in Torino to attend a master's degree in Interior Design (" Design emotions from architecture to the ephemeral") at IED European Institute of Design. In september 2012 I attended a professional courseWeb Graphic Design. Since 2010 I've been cooperating with Redirectoffice, graphic architecture and design studio. In 2009 I founded Coclodesign. As attached documents you will find my curriculum vitae and a link to my blog, where you will be able to view my works. Looking forward your acknowledgements, thanking you in advance, I offer my kindest regards, Simona Guarneri.
