Francesco Nori

Graphic designer

Location: Italy > Lazio > Roma

Years of Experience: >10
Employment Search: Si
Internships Available: No

Showcase description

Hello, my name is Francesco Nori and if what you see on this site you will like it, I will become your graphic artist. I attended the Quasar Institute where I obtained a diploma in Multimedia Developer. I could tell you that I use the disparate software to take shape to your ideas, but you can see it by yourself. What matters is the passion and the desire to leave a sign.
