Showcase description

I'm Stella Scordo, 29 years old. I'm an enthusiastic, passionate, sensitive, empathic, curious and professional Architect & Graphic, who enjoys being part of, as well as leading, a successful and productive team. Quick to grasp new ideas and concepts, and to develop creative solutions to problems. Able to produce critical analysis in different contexts through a personal, graphic, useful way and good at converting knowledge into a design prototype, a corporate branding, a picture, an exhibition, a piece of visual merchandising. Motivation is the key to perform effectively. EMAIL stellarchitetto@gmail.com BLOG <http://stellarchitetto.wordpress.com>
