Showcase description

Im a 15 year old Spanish artist. My equine art is inspired and refined by my own experience with horses. I has been a dressage rider since I was 9 years old and I won several art contests in Vigo, the city where Im lives. Im employs different art techniques: oil, acrylic,watercolour, and pencil. The pure spirit of the horse is represented through a realistic style. As she says :?Art is not what I paint, It?s inside the horses?. Her two big passions (horses and art) led her to create ?Cavalart?, a very popular art website in Spain. e-mail: mw.cavalart@gmail.com blog: melwaidler.wordpress.com fb page: www.facebook.CAVALART.es
