### Showcase description

Hello, I am Omar, I'm a sociable guy sports and work as a technical worker took a huge company. Since 2001, studying graphic materials. I started my passion with a Masters in Web Designer with relevant certifications in Macromedia Flash, Dreamweaver and Fireworks, Adobe now become. I continued my studies also learning graphics programs such as Photoshop, Illustrator, and also trying in 3D programs. Lately I have also studied After Effect and anything programming for App in Android. My dream or hope remains to find a job as a Graphic or Web Designer or similar.
