Showcase description

Hello, my name is Valerie. Drawing and painting was my passion since I was young. With my art I like to transform common situations filling my drawings with atmospheres expressing emotions and warmth and that point out the irony of life. For my works I use traditional techniques like watercolors, acrilic and colored pencils, but i also like to try new fields. I aspire to become an illustrator for children books, but i'm also glad to try other art experiences. Contacts: cell. number +39 328 2153435; e-mail LeraKasyanova@yahoo.it
