## Showcase description

Hello, I am Luca, aka (Negger) are a graphic designer and I live in Palermo, are specialized in the creation of logos and illustrations; Companies from large factories to small companies. I do everything just out my art graphics Would indeed much become a great worker in the field of graphics, only that the city of Palermo and not to cue stimuli and solicitation to emerge. I hope that I can express myself through this opportunity that the site from creadhead to be more visible in this world a bit hidden
