I am a dynamic person, cheerful, creative and sociable, but also a 'bit shy. I love to work all 'inside of a team and working closely with people. Although they have no work experience, I'm sure to be able to carry out the task given to me. I like to play sports (basketball, volleyball, badminton, etc. ..), watching television and Anime, reading (manga) and above all create maps of houses and furnish them. I like taking pictures like: landscapes, people, animals, even objects. I know how to use Adobe (Illustrator, Photoshop, InDesign), including the Office suite (Microsoft Word, Excel and Powerpoint). I also know ho to use Moviemaker. I can create: the basic corporate identity (business cards, letterhead and envelopes, letterhead), corporate image enlarged (flyers, brochures, posters, etc ..) I would like to become an architect or an 'Interior Designer.
