**Showcase description**

Born in Palermo in Sicily. In 10 years he lived in Rome, Bologna, Milan and Modena. In 2012, for six months, carries out a project that leads her to travel with her husband and her off-road, crossing the countries of Eastern Europe, Russia to arrive in Mongolia. The passion for painting was inherited, developing from a young age. The sensuality of creative features and the human figure, characterize the use of warm colors and cool. "My art is what expresses in myself, I am inspired by my feelings and I try to find out various shades of colors, patterns and forms in an attempt to express my emotions, trying not to neglect the aspects of the material world." ANEI my paintings, with full freedom, I am inspired by discovering various shades of colors, patterns and forms in an attempt to express my emotions, not neglecting aspects of the material world. Realizable clothing painted freehand, portraits, interior scenes, painting.
