Employment Search: No
Internships Available: Si

Showcase description

Nato ad Ortona (Ortona a Mare, CH) in una località di mare e di conseguenza, per strani meccanismi, reietto del mare, ha esposto in mostre collettive e personali dentro e fuori regione. Guidato da un sentimento legato al romanticismo inglese ottocentesco e da uno spirito grottesco, la sua tecnica espositiva consiste essenzialmente nell'estrapolare immagini e foto dal loro contesto originale per reimmetterle in uno totalmente differente, aggiungendole, sottraendole, moltiplicandole, dividendole, coprendole in modo tale da creare una rappresentazione visiva che spinga sulle sensazioni che un determinato abbinamento di forme e colori possa dare ad un eventuale spettatore. Tra gli ideatori della fanzine "Carta Straccia", si dedica nell'ultimo periodo anche alla scrittura di sceneggiature per fumetti, passione che divide con quella della scrittura di racconti brevi.
