Showcase description

Good morning, my name is Davide Tartarini, work in directing / production for the production of commercials / music videos, working often in the cinema, in 2011 I shot my first feature film, i'm also a videomaker and often I deal with photographic catalogs; i'm trained and competent in the composition of texts and plots for commercials. Here is some work in that direction in production. https://vimeo.com/user35419273/videos
