Showcase description

Photographer since the '80, qualifying at the best schools in Italy. A highly respected photo retoucher, he has worked and continues to work with some of the best and famous Italian and international photographers. Many famous actors and well known people have enjoyed his virtual liftings! A top expert in digital image elaboration he has worked with photoshop since it first appeared. Proud to be the owner of one of the first apple macs in Italy! He effortlessly programmes scripts in perl and php (his favourite hobby). He is consultant to a long list of important clients (Bulgari, Cavalli, Mondadori, Interview, Api, IP, British American Tobacco, Tim, Schwarzkopf, L'Oreal, Pfizer, Lundbeck, etc.) He uses to manage photo studios in Rome and has now opened Studio154 a new production house services downtown the city that offers locations, professional equipment and supplies to photographers. He lives in Rome with his wife and his child Valerio. He works in Rome and over the world.
