Showcase description

I'm graduating in Marketing and Communication, pressure The University of Milan Bicocca. Very creative and are prepared to Public Relations. I A strong sense of duty and are Full of enthusiasm. In Merit for creativity, I have a project of Online Marketing What I'm developing and Which, I hope one day, May Be Reason Growth work. I Matured Branch Experiences of Social Media Marketing and Management of the Internet sites. I work for a year and a half pressure therapy A Federation of Boxing and Nello SPECIFIC I deal with Social Management (Publication Content, promotion and sponsorship page) and Site Management Internet. Before you get involved in the world of work I Had the possibility of diversification FOLLOW Training and mastering all related to Sector "Online Marketing and Social Media Management." I Followed Several telematic courses for acquisition of basic individual skills come to use the Office package English and Spanish. InOLTRE I Followed courses More practical for my coming Sector SEO, SEM, Google Adwords, Google Trends, Wordpress and Photoshop. And 'Fundamental to me Being contacted From Your Agency for Simple Reason That And A World That belongs to my Reality Of More and more I could acquire more and more skills and strengthen me in this sector, which It will be the job of my life. And 'What an understatement to say I like the Internet and social topic, so I'll just say That for me to continue to document and ad Learn More things of this sector and Reason to believe in something. And I believe That my young age, to have clear ideas and something to believe in Siano had glucose Fundamental. Hoping to be contacted, to rest Arrangement for Any clarification and deepening.
