Employment Search: Si

Internships Available: No

Showcase description

My name is Andrea Bauce and I am a young director / filmmaker. I would like to offer you my services as a Filmmaker especially for commercials (TV or Web) and projects. After completing my studies, - including a course of painting done with Christiane Kubrick, Stanley Kubrick's wife" - for several years I lived in England, where I worked as "producer and creative director" with some independent production companies. Back to Italy in 2011, I've been working for the fashion industry - in Milan (Italy) - (fashion short film, commercial and for TV, directing a recent format produced by Sky Italy). This is my SHOWREEL
