Showcase description

My name is Ugo Giacalone, I was born in Mazara del Vallo (Sicily) on the 23rd of June, 1990. After graduating high school I moved in Milano, where I started attending Energetic Engineering at the Politecnico di Milano. After a couple of years I changed school and I'm now attending the last year of Communication Design. I'm a responsible persone and I believe in hard work to reach my own goals. My interests are photography, graphic design, video-making, web design and social media.
