Years of Experience: 5-10
Employment Search: Si
Internships Available: No

Showcase description

My name is Michael Merone, I was born in Naples on 07/13/1988. I studied graphic design and photography at the Institute d 'Art Umberto Boccioni of Naples, after graduation I attended courses of Graphic Design and Web design at the ILAS finishing with 110/110 cum laude. In the same year I won a scholarship that allowed me to deepen the studies in advertising, specializing in Art Director and Copyright. I currently work as a freelance in collaboration with other professionals and I take care of the image of some companies.
