Showcase description

My name is Debora Geraci, is an Art Director freelance. I collaborate with agencies, companies and professionals, of which I take care of the image and the aesthetic presentation of their messages. My artistic training on the subject of painting, graphics, photography and video, has enabled me to exercise my aesthetic sensibilities and to be able to translate into images and to support business graphics. This wave aesthetic and emotional created from images, able to convey the most of the commercial message - marketing or PR - my client. then I collaborate with marketing managers of companies or professionals of the agencies, in developing a range of projects: traditional paper, multimedia, video and photo. This collaboration is aimed to enhance the most of the impact and the effectiveness of customer communications, in the reference market. my Website www.deborageraci.it my email info@deborageraci.it my Portfolio www.behance.net/deborageraci
