Showcase description

I'm 23 years old, and I'm a graphic designer and aspiring photographer, currently based in Milan. I love everything that has to do with Web design and graphic design, packaging, industrial design and feel I have a real devotion to photography. I have 4 years of experience working in different communication studies but are ready to face any new experience can enrich my own bags. I love working with people, especially if they put passion in what they do.
