Showcase description

I am Marta Amaolo I'm 26 years old and I'm working as a process analyst and SAP programmer in a consultancy society.....but what I really love is to communicate with people, understand them, find out what they think, what they want and what they really need. But above all I like helping people to understand what they need through communication and marketing techniques. My number is +39 3391126103 and my e-mail address is martha_90@live.it
