Showcase description

tel: 340.4967587 mail: riva_eleonora@yahoo.it My name is Eleonora Riva, I'm 30 and since 2012 I am dealing with communication. After an internship in ExpoVillage 2015, I continued my career in RCS MediaGroup, where I worked from 2012 to December 2015, and Image Building, a communications agency based in Milan, where I worked from December 2015 to June 2016. I have a degree in Economics and Business Administration (marketing curriculum), and with the degree obtained with honors, I specialized in Business Communication. I would be particularly interested for a job in communications, media and new media, but also in the marketing area, areas where I believe that I can best express thanks to the expertise gained from previous experiences.
